Dear Mr. Cowheard:

On behalf of the Florida State University Foundation, thank you for Windstorm Insurance Network, Inc.'s gift of \$5,000.00 in payment of its pledge received on June 18, 2014 benefitting the Windstorm Insurance Network, Inc. Scholarship Fund. Even as state funding has declined in recent years, Florida State continues to rise in national prominence. Not only are good things happening at this University, but we are accomplishing them more efficiently. In fact, *U.S. News & World Report* recognized Florida State as the most efficient of the nation's highest ranked universities and we are strategically planning to be a national model for affordable and accessible excellence. We can do these things, thanks in no small part to gifts like your organization's.

Florida State has proven that our education changes individual lives and entire communities for the better. Thank you again for your organization's support and for helping us advance this important mission.

Best Regards,

Andy A. Jhanji
Executive Vice President
The Florida State University Foundation
